A copy of your notice has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); however due to the confusion over the change in operators, UDOGM would like for you to file a new notice for your operation in Dog Valley. We have already sent you the forms which you will need to do so. A copy of your notice has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). DWQ should contact you concerning any permits you may need, however their failure to do so does not absolve you from responsibility for obtaining the same.

Also, all mining claimants and operators intending to use, store, or divert water are required by Utah and Federal statute to notify the following agencies:

Utah Department of Water Resources  
1636 West North Temple
